È la scelta più semplice ed economica per illuminare con efficacia punti normalmente non raggiungibili dalla rete elettrica.
An easy and inexpensive way to light areas not covered by the power grid.

Ottiche
Optics: 1A, 3S

Applicazioni: *Ideal for:*

- Fermate bus
- Pensiline
- Cancelli
- Giardini
- Patii
- Chioschi
- Cartelli pubblicitari ecc

- *Bus stops*
- *Shelters*
- *Gates*
- *Gardens*
- *Patios*
- *Kiosks*
- *Advertising signs etc.*

Ottiche / Optics

Le diverse ottiche a nostra disposizione permettono di personalizzare ogni prodotto in funzione delle esigenze progettuali.

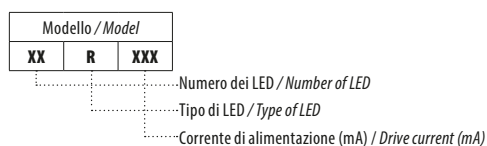

These several proprietary optics are our competitive advantage for product customization according to the project requirements.
